Eriksson, Helen and Martin Kolk. 2022. Parental Union Dissolution and the Gender Revolution. *Stockholm Research Reports in Demography* 2022:13. Stockholm: Department of Sociology, Stockholm University.

POLICY REPORTS

Eriksson, Helen and Maria Brandén. 2021. Från jämställda par till ojämställda föräldrar: Vad säger forskningen om varför kvinnor och män fördelar föräldraledigheten som de gör? [From equal couples to unequal parents: What does research say about why women and men divide parental leave the way they do?]. *TCO-rapport 2021* [Report series for the Swedish Confederation of Professional Employees 2021]. Stockholm: The Swedish Confederation of Professional Employees.

Eriksson, Helen and Maria Brandén. 2021. Från jämställda par till ojämställda föräldrar: Rationella par eller begränsade val? [From equal couples to unequal parents: Rational couples or limited choices?]. *Stockholm Research Reports in Demography* 2021:01. Stockholm: Department of Sociology, Stockholm University.

Eriksson, Helen. 2021. Hur påverkas kvinnors och mäns inkomster när de får barn? [How are the incomes of women and men affected when they have children?]. *TCO-rapport 2021 [Report series for the Swedish Confederation of Professional Employees 2021]*. Stockholm: The Swedish Confederation of Professional Employees.

Duvander, Ann-Zofie, Helen Eriksson and Ida Viklund. 2014. Uttagsmönster för föräldrapenning: Teknisk rapport med analyser av en version av data innan episoderna i MiDAS är skapade [Patterns in parental leave claims: Technical report with analyses of data prior to episode data in MiDAS] Delivered to the Swedish Social Insurance Agency.

Eriksson, Helen. 2009. Är det verkligen ekonomin som styr? En studie av ekonomiska drivkrafter vid vård av barn [Is Economy Most Important? A Study of Economic Incentives for Using Temporary Parental Leave for Care of Sick Children] *Working Papers in Social Insurance* 2009:1. Stockholm: Swedish Social Insurance Agency.

RESEARCH PROJECTS

Principal Investigator. A family decision? Population studies of parental leave at the gendered workplace. Financed by the Swedish Research Council for Health, Working Life and Welfare (Forte), 2022 – 2025.

Principal Investigator. When mother leave is ‘too short’ and father leave is ‘too long’: A survey investigation of parents’ perceptions of the ‘possible’ leave length at their work place. Financed by the Swedish Confederation of Professional Employees (TCO), 2020.

Principal Investigator. Why are fathers with the most to lose from an absence from the workplace also those who take most parental leave? Financed by the Swedish Research Council for Health, Working Life and Welfare (Forte), 2020 – 2021.

Project Member. Rising social inequalities and Swedish fertility decline. Financed by the Swedish Research Council for Health, Working Life and Welfare (Forte), 2021 – 2023.

Project Member. The Neighbourhood Revisited: Spatial Polarization and Social Cohesion in Contemporary Sweden. Financed by Riksbankens Jubileumsfond, 2019 – 2024.

Project Member. Migrant Trajectories: Geographical Mobility, Family Careers, Employment, Education, and Social Insurance in Sweden, 1990–2016. Financed by the Swedish Research Council for Health, Working Life and Welfare (Forte), 2017 – 2022.

Project Member. Stockholm University SIMSAM Node for Demographic Research, SUNDEM. Financed by the Swedish Research Council (VR), 2009 – 2019.

Scientific Administrator. Stockholm University Linnaeus Center on Social Policy and Family Dynamics in Europe, SPaDE. Financed by the Swedish Research Council (VR), 2009 – 2019.

SUPERVISION DOCTORAL THESIS

Main supervisor for Flore Debruyne, Department of Sociology, Stockholm University, 2022–

CONFERENCE CONTRIBUTIONS (selected)

Eriksson, Helen and Martin Kolk. 2022. *The Reversal in the Effect of Parental Separation on Daily Childcare Responsibilities in Sweden*. Poster presentation at the 2022 Annual Meeting of the Population Association of America, April 7, Atlanta, GA. Presentation at the 22nd Nordic Demographic Symposium 2022, June 11, Oslo, Norway and the EPC 2022 (European Population Conference 2022), June 30, Groningen, the Netherlands.

Eriksson, Helen, Maria Brandén and Jani Turunen. 2020. *Home is Where the Child Is: Has Dual-caring Decreased Mobility among Separated Fathers and Mothers?* Accepted for poster presentation at the cancelled 2020 Annual Meeting of the Population Association of America and presentation at the cancelled EPC 2020 (European Population Conference 2020).

Eriksson, Helen, Gerda Ruth Neyer, and Hernán Mondani. 2018. *Income Trajectories of Refugees in Sweden*. Poster presentation at the 2018 Annual Meeting of the Population Association of America, April 27, Denver, CO.

Eriksson, Helen. 2017. *Parental leave within the workplace: A re-assessment of opposite educational gradients for women and men*. Poster presentation at the 2017 Annual Meeting of the Population Association of America, April 27, Chicago, IL, presentation at the 20th Nordic Demographic Symposium 2017, June 15, Turku, Finland, and poster presentation at the 2017 IUSSP International Population Conference, November 1, Cape Town, South Africa (title: *Who Wants to Risk a Career? Fathers' Labor Market Situation and Parental Leave Sharing in Sweden*).

Eriksson, Helen. 2015/2016. *Taking Turns or Halving It All: Care Trajectories of Dual-Caring Couples*. Poster presentation at the 2015 Annual Meeting of the Population Association of America, April 30, San Diego, CA, and at the workshop 'Fathers' Involvement across the Life Course', Wissenschaftsforum Berlin, September 3, 2015, Germany. Presentation at LaCOSA II (the International conference on sequence analysis and related methods), June 9, 2016, Lausanne, Switzerland, and EPC 2016 (European Population Conference 2016), September 2, Mainz, Germany (title: *Taking Turns: Work-Family Strategies of Dual-Caring Couples*).

Eriksson, Helen. 2012. *Indirect Costs of Being on Leave: Life-Cycle Effects in Earnings on Parental Leave Usage*. Presentation at the 5th Next-Generation Global Workshop "Social Innovation and Sustainability for the Future: Recreating the Intimate and Public Spheres", November 7, Kyoto University, Japan; and the 2012 Annual Meeting of the Population Association of America, May 5, San Francisco, CA (title: *Income and Parental Leave over Time – Period and Life-Cycle Effects*).

Thomson, Elizabeth and Helen Eriksson. 2010/2011. *Register-based Estimates of Parents' Coresidence in Sweden, 1969-2007*. Presentation at the workshop on Research on Family Demography and Children's Lives: Future Directions and Infrastructures, September 28, 2011, Stockholm University, Sweden; the workshop on Register-based Demographic Research, September 28, 2010, Stockholm, Sweden; and the 17th Nordic Demographic Symposium, June 17, 2010, Lund, Sweden (title: *Measuring Family Disruption with Swedish Administrative Registers*).

Eriksson, Helen. 2009/2010. *The Gendering Effects of Sweden's Gender-neutral Care Leave Policy*. Presentation at the 2010 Annual Meeting of the Population Association of America, April 15, Dallas, TX, and the 2009 Chaire Quetelet seminar, November 19, Université Catholique de Louvain, Louvain-la-Neuve, Belgium (title: *Are there Gendering Effects of a Gender-Neutral Parental Leave?*)

INVITED PRESENTATIONS (selected)

Eriksson, Helen. 2021. *Introduktion: Normer och reformer för ett hållbart livspussel* [Introduction: Norms and reforms for a sustainable worklife balance]. Forum Jämställdhet [Forum Gender Equality], February 3,

Stockholm.

Thomson Elizabeth, Gunnar Andersson, Helen Eriksson, and Martin Kolk. 2017. *Happenings in Demography at Stockholm University*. Demography Seminar (DemSem), May 2, Center for Demography and Ecology (CDE), University of Wisconsin-Madison.

Eriksson, Helen. 2015. *Föräldraledighetspusslet: Längd, delning och turtagning under barnets första två år* [Fitting the Parental Leave Pieces Together: Length, Sharing and Turn-taking in the Child's First Two Years]. Demografidagen 2015 [Demography Day 2015], May 20, Statistics Sweden, Stockholm.

Eriksson, Helen. 2011. *Samhällsdemografi och moderna data* [Social Demography and Modern Data]. Workshop on 'Nya befolkningsdata i forskningens tjänst' [New Population Data for Scientific Use], November 29, Umeå University, Sweden.

AWARDS AND SCHOLARSHIPS

Poster Award at the 2022 Annual Meeting of the Population Association of America for *The Reversal in the Effect of Parental Separation on Daily Childcare Responsibilities in Sweden*.

Junior researcher grant from the Swedish Research Council for Health, Working Life and Welfare (Forte), 2022 – 2025 (5,960,000 SEK).

Project financing from the Swedish Confederation of Professional Employees (TCO), 2020 (859,270 SEK).

Postdoc grant from the Swedish Research Council for Health, Working Life and Welfare (Forte), 2020 – 2021 (2,000,000 SEK).

Stipend from the Lydia and Emil Kinander foundation for participation in the 2017 IUSSP International Population Conference in Cape Town, South Africa (15,145 SEK).

Stipend from the Elisabeth and Herman Rhodin foundation for participation in EPC 2016 (European Population Conference 2016) in Mainz, Germany (10,437 SEK).

Poster Award at the 2015 Annual Meeting of the Population Association of America for *Taking Turns: Work-Family Strategies of Dual-Caring Couples*.

2009 Annual Master's Thesis Award of the Uppsala Political Science Association for *Är det verkligen ekonomin som styr? En studie av ekonomiska drivkrafter vid vård av barn* [Is Economy Most Important? A Study of Economic Incentives for Using Temporary Parental Leave for Care of Sick Children].

TEACHING EXPERIENCE

Courses

Course Coordinator and Lecturer, 'Tillämpad samhällsanalys' [Applied Social Analysis]. 5th semester in the Bachelor's program in Applied Social Research. 2021 -
Content: Questionnaire design and data collection.

Course Coordinator and Lecturer, 'Kvantitativ metod i praktik och teori' [Quantitative Methods in Practice and Theory]. 5th semester in the Bachelor's program in Diversity Studies, Department of Ethnology, History of Religions and Gender Studies. 2021 -

Content: Quantitative research design. Basic statistics.
