Professional services: Secretary Swedish Biochemical Society, 1976-82. Secretary Swedish National Committee on Biochemistry, Royal Swedish Academy of Sciences, 1985-87. Chairman Swedish National Committee on Biochemistry, Royal Swedish Academy of Sciences, 1988-90. Chairman Nordic Committee of Biochemistry, 1979-80. Organizer of several international meetings in biochemical sciences. Chairman Scientific Program Committee for the 22nd Meeting of the Federation of European Biochemical Societies, FEBS 1993. Swedish representative at: FEBS Council 1975-81; IUBMB General Assembly, 1979, 1985, 1991, 2000; Nordic Committee of Biochemistry, 1975-87;

International Network of Protein Engineering Centres, 2008-
Biochemical Journal Editorial Board, 1986-1993. Biochemical Journal Editorial Adviser 1994-1999.
ChemBioChem Editorial Advisory Board, 2000-2010. Biochimica Biophysica Acta Editor, 2000-
Protein Engineering, Design and Selection Editorial Board, 2003-. Journal of Biological Chemistry
Editorial Board, 2009-. Faculty of 1000, 2013.
Science Advisory Board, Telik, Inc., S. San Francisco, CA, USA, 1991-2001. Consultant, PanVera
Corp., Madison, WI, USA, 1995-96. Consultant, Pharmacia Biotech, Milwaukee, WI, USA, 1996.
Consultant, Uniroyal Chemical Company, Middlebury, CT, USA, 2000-2002. Consultant, Biovitrum
AB, Stockholm, 2002-2004. Consultant, Maxygen, Redwood City, CA, USA, 2004-2010. Consultant
Oxford Biomedical Research, Rochester Hills, MI, USA.

Honors/Awards: In 1988 Bengt Mannervik won the competition among 20 applicants for the internationally advertised Karin and Herbert Jacobsson Professorship of Biochemistry at Uppsala University, originally held by Nobel Prize Laureate Arne Tiselius and arguably the most prestigious chair in Sweden. Mannervik in 2013 received the Björkén Prize, the most distinguished award of Uppsala University.

Memberships of scientific societies: Honorary member American Society of Biochemistry and Molecular Biology; American Association for the Advancement of Science; American Association for Cancer Research; The Biochemical Society (U.K.); Swedish Chemical Society; Swedish Society of Biochemistry and Molecular Biology; The Royal Society of Sciences at Uppsala.

Scientific publications: >500 papers in international journals and 300 abstracts to scientific meetings. More than 33,000 citations; h-index 76; i10-index 337.
