

Literature list

GE8030 Project in Landscape Ecology, 7.5 credits

Decided by the Vice Head Director of Studies 2020-01-22, after consultance with the department's educational advisory group. Valid from spring term 2020.

The literature consists of scientific publications and reports in the relevant subject area, found by students in literature searches, or distributed by the course responsible and/or tutor.

Articles and other materials made available in connection with teaching are also included as course literature.
