2. Number of enrolled students: 42

3. Number of students who completed the course: 19

4. Changes in the course since the last time it was given

Dropped the current events.

5. Course strengths according to the students

(summary based on quantitative results, as well as free text)

They made a B on average.

6. Course weaknesses according to the students

(summary based on quantitative results, as well as free text)

Both the field guide and the exam gave feedback on the exam.

7. Conclusions and proposals for changes

There weren't 42 students in Havet.

There were students that wanted to get in the course, but many students in the class do not drop off. Then the other students can't in. Sad.
