<https://www.sbs.su.se/english/education/current-students/study-abroad/application>

# Eligibility

You are eligible to take part in the study abroad exchange program if you are:

- Enrolled as a student at SBS

## Bachelor

- Earned at least 60 ECTS prior to departure (undergraduate students)
- Passed 7 out of 8 courses within your SBS programme at the time of application

## Master

- At the time of application master students must have successfully passed three (3) out of four (4) courses from the first semester in the master programme.

## Where can I go?

- More than 100 Partner universities worldwide
- A list of available placements for coming semester about one month before before the application round starts

# Application process

1. Online application (list 5 universities)
  2. Letter of motivation (in English): 300-500 words
- *Language proficiency certificate: -IELTS/TOEFL or Swedish 'gymnasiebetyg'*

# Application process NOTE!

- If the application does not fulfill the requirements, for example:  
submitting language requirements or a work experience certificate for a  
specific school you have applied for, the application for that school will not  
be considered.
- If the application is incomplete, the application will not be considered
- No individual feedback will be provided.

# Selection process

- Students are ranked based on academic achievements at SBS(see website for details)
- Point breakdown: A = 5, B = 4, C = 3, D = 2, E = 1.
- Points are also awarded for accredited extra-curriculars
  - contact Föreningen Ekonomerna for more information
- Letter of motivation

# Nomination process

- Selection result by email one week after deadline
- International office will nominate you to partner university
- APPLY to the partner university
- Course selection, visa, applying for housing ...
- Attend pre-departure workshop

## Other alternatives

- International internship – Erasmus +  
<https://www.su.se/english/education/go-international/erasmus-traineeship-abroad>

- Degree project abroad

<https://www.su.se/english/education/go-international/degree-project-abroad>
