Module Description

This module provides an introduction to the English language. The module specifically focuses on English vocabulary and grammar in oral and written academic communication. Students develop an understanding of study techniques and use these to expand their English vocabulary and knowledge of grammar. Special focus is given to strategies for vocabulary learning. In addition, students are trained in oral academic discourse.

The module comprises **7 lectures, 5 workshops and 6 seminars. Students are expected to prepare for each session by completing assigned tasks and readings.** Active participation in the seminars, workshops and tutorials is expected and will further the academic advancement of the student. The examination includes an oral presentation and a final sit-down exam on vocabulary and grammatical knowledge.

Intended Learning Outcomes

Upon completion of the module, students are expected to be able to:

- Apply knowledge about vocabulary learning strategies;
- Use an extensive vocabulary in English;
- Identify, explain and use grammatical phenomena;
- Express themselves adequately in academic presentations and conversations by adapting to purpose and situation.

Grading

The module adopts the 7-grade SU scale.

To receive a final grade, students must have completed all examination assignments including the final exam (missing an assignment will result in no grade).

To receive a passing grade (A to E), students must demonstrate that they have achieved all the learning outcomes at least at the minimum level by having passed all the examination assignments including the final exam.

Module activities

The module consists of the following activities:

- Lectures: 7 lectures. For lecture notes/readings/ppts, see Athena.
- Workshops: 5 workshops (incl. one exam preparation workshop). For pre workshop tasks, see Athena
- Seminars: 6 seminars on campus. For the pre-seminar tasks, see the seminar presentations and hand-outs on Athena.
- Before each session, including the lectures, students are expected to complete all assigned tasks to be able to participate meaningfully.

Examination

Students are required to complete the following:

- 1) Oral assignment (5-minute presentation): pass/fail
- 2) Final exam on grammar and vocabulary: (approx. 20% vocab, 80% grammar) 7-grade SU scale

Module format

The module combines a range of teaching forms. The lectures introduce weekly topics. In the workshops the students will apply and deepen this knowledge through the completion of a number of tasks and quizzes. In the seminars, students will advance their oral communication skills by discussing issues relevant to the topic of each week. The final exam preparation workshop focuses on the sit-down exam.
