- 2) Click on "Chemicals"

23. scientific research and development: means any scientific experimentation, analysis or chemical research carried out under controlled conditions in a volume less than one tonne per year;

Löpsedeln

**CMR**  
(2017-11-09)  
Ämnen klassificerade med någon av fraserna R45, R46, R49, R60, R61, H340, H350, H360 ska om möjligt bytas ut, annars krävs en särskild utredning (enl 38-44 § AFS 2014:43). Blankett för utredning kan laddas ner via länken "läs mer" nedan.  
[read more...](#)

**CMR (English)**  
(2017-11-09)  
Substances classified with any of the phrases R45, R46, R49, R60, R61, H340, H350, H360 should, if possible, be phased out, otherwise a special investigation is required (§ 38-44 AFS 2014:43). A form for the investigation may be downloaded via the link "read more" below.

Click on the part of the department, i.e. the group, or the department where you want to look for the product in (in this guide the department was chosen).

## Search products

In this frame you can search products belonging in the inventory for your parts of the organisation.

## Normal search

Name, CAS, Barcode-ID

26628-22-8

Only include products listed as:

## Show products that

- Have not been discarded  
 Have been discarded  
 Show all

## Sort by

- Room, Product name  
 Room, Product name grouped by  
 Product name

Search

You can use wildcards in your search by supplying one or more asterix signs, before or after the criteria.

The search is not performed synonyms.

Please observe that the filter by classification has precedence over CAS number when specified.

- 1) Enter the identifier of the product that you are looking for, preferably the CAS number.
- 2) Click on "Search".
