§ 6	<ul> <li>Discussion: Revised budget for 2022 (Appendix 2)</li> <li>The revised budget has been updated with actual salaries and new LKP (58%). The Board is informed that Ilona Riipinen and Gustaf Hugelius have been granted a monthly salary supplement for taking on the role of Director, and Vice Director, by the Dean of the Faculty of Science. This cost is to be taken by the Bolin Centre, and creates a slight deficit in the budget for 2022.</li> <li>After discussion, the Board recommends that the deficit for 2022 should be distributed according to the principle of equal distribution (1/6<sup>th</sup> each) between the four SuKlim institutions (ACES, IGV, NG and MISU), and KTH and SMHI. The Board also notes that there is a need for a principle discussion in the future about how the Bolin Center makes best use of the SFO funds. This is recommended to be a discussion during the budget work for 2023.</li> <li>SMHI and KTH will be informed by Cynthia de Wit and Nina Kirchner and asked their</li> </ul>	
	opinion on the proposal as neither were represented during this agenda item. A decision on the matter will be made at the next board meeting.	
§ 7	Decision: Bert Bolin Climate Lecturer 2022 One nomination and two re-nominations were received. The nomination was for Hans Joosten (https://botanik.uni-greifswald.de/en/peatland-studies-and-palaeoecology/staff- members/) and re-nominations were for Jochem Marotzke (http://www.mpimet.mpg.de/en/staff/jochem-marotzke/) and Siwan Davies (http://swansea.ac.uk/staff/science/geography/davies-s). Both Directors independently ranked Hans Joosten highest. The Board decided to recommend that the Dean nominate Hans Joosten as the Bert Bolin Climate Lecturer for 2022.	
§ 8	Discussion: External Science Advisory Board         This item was rescheduled for December 13.	
§ 9	Information         a) COP26: The Bolin Centre was represented at the International Cryosphere Climate         Initiative pavilion at COP26 and at a hub for this pavilion at Kulturhuset in         Stockholm.
