

Illustration H-R diagram

This is an example of a very famous representation in astronomy, that gives us valuable information such as a star's age, its brightness, its surface temperature.

Picture taken from Airey, J., & Eriksson, U. (2019). Unpacking the Hertzsprung-Russell diagram: A social semiotic analysis of the disciplinary and pedagogical affordances of a central resource in astronomy. *Designs for Learning*, 11(1), 99-107.
