

Department of Molecular Biosciences,  
The Wenner-Gren Institute

**Agenda for PhD Board meeting – scheduled 2023-10-26, 15:00-16:30, F504**

Participants: Simon Prokisch, Servei Pirgov, Vaishnovi Sekar, Isabella Badolati, Aswathy Kallazhi, Claudia Arasa

**1. Planning of Alumni Day**

We have 6 alumni giving a talk. We calculate around 20 minutes per person. Schedule 3 talks, then break for 30 minutes, and then 3 speakers again. We will maybe organize a mingle activity during the break. We will have a savory and sweet fika with the money from SUS, as well as coffee and tea. Some of the money will be allocated to presents for the speakers (around 3000kr, so 500kr per speaker). We are thinking to get a gift card for them, probably from greatdays.se. Simon will contact Gelana about the food, and we will announce the meeting soon and try to get an estimate on how many people will attend, so that we know how much food to order.

**2. Invitation of Nobel laureates**

Simon contacted the responsible people but no reply yet. We will try contacting them via a different e-mail address and also call.

**3. Other matters**

Closer to the next council meeting (8<sup>th</sup> of December) we will send the available positions to all PhD students, so that they can take a look at them and get some candidates.
