13. What important things did you get out of the course?

14. Describe the strength(s) of this course.

15. What could have been done better?

16. Any additional comments or feedback to course organizers?

Comments by the Course Director: Few changes had been made as to the materials covered, only updating as to the current state of the law. Teaching was in zoom, and as there 16 students with active attendance, the zoom format worked well. Breakout rooms were used extensively so that the students would get to know each other and have some social contact during the pandemic.
