Description of changes since previous year: No changes made since the previous year.

The strengths of the course's according to the students

The students were very satisfied with the guidance and feedback regarding the progression of their thesis project. The fact that the thesis is to focus on critical analysis and allow the students to develop these skills has been mentioned. The classes on methodology have been mentioned as valuable.

The weaknesses of the course according to the students

The feedback from the peers was seen as something that could be improved, as some guidance was considered to be vague. There has also been a proposal to extend the course by 2 months and provide internships, but this is not within the plans for the future.

Teachers' comments

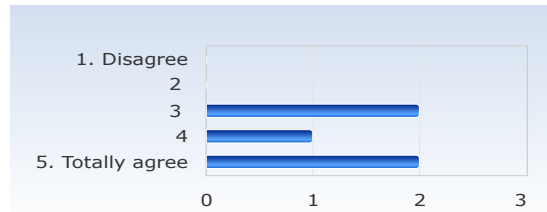

No changes are foreseen for the future.
